A Period Of Great Darkness For The United States of America Is Coming

A Prophetic Declaration based on the Word of God & current cultural affairs.

We thought we (God's people) could swing it: Put a STOP to the growth of secular (yet, in reality, satanic) socialist globalism. It's becoming clear we cannot, not by our own efforts anyway. And yet, there is clear, lasting Hope coming BUT only after a brief period of great turmoil.* God calls His own to ENDURE until His Son's return. *Even so, please come Lord Jesus!* But before this coming unrest, I really must ask: [* For encouragement in preparation for this time, **Click Here**.]

Should the moving forward of the *one world alliance* – which continues to take place today – surprise us, really? Absolutely NOT given what the Word of God said would transpire in the days just prior to the initial appearing of Jesus Christ (Matthew 24:30 ; Revelation 6:14-17).

God has clearly outlined specifics which unfold during these *end of days.* As always, His Word is precious Truth for those who would receive it – Truth forever settled in heaven and on earth.

For those of us who have sought His omniscient insight in the help of His Spirit, we are blessed with discernment. For those who have neglected God's protective revelation warnings, they are, sadly enough, like the earth dwellers who are deceived … just as God said would take place. See II Thes. 2 & the delusion which has come as a result of rejecting Jesus Christ, Son of God, Savior. †

So what follows this early tribulation (biblically defined, in part, in Mt. 24:9-14 and unfolding-in-present-culture-**today**) period, before the *war against the Saints* begins to unfold ?

A world leader will emerge soon, one who has an amazing following. This leader, my friend, has been predicted thousands of years ago. The Bible calls this beast (see Rev. 13 ; I John 2:18) "the antichrist." This "little horn" of Daniel will mandate the world do certain things. One command which will be imposed by this instrument of satan | the dragon is this: A mark on the right hand or on the forehead must be received. The receiving of this mark demonstrates allegiance to the beasts and the devil – the great dragon. Those who receive this mark will be able to buy and sell; those who do not take the mark will not be allowed to buy or sell.

God has lovingly warned us against taking this mark. Will we succumb and suffer eternally ** (please view "Handout 100") as a result of taking the mark? Or, like the martyrs through history, will we stand against evil and say "NO" to darkness, in this case, will we say "NO" to receiving this mark?

The length of time (duration) of this evil, global movement is not long – only years.
ENDURING against the darkness will be well worth the brief trouble. What understatement!
Don't forget: The race will not end until well AFTER the antichrist has been defeated.
Be a winner on the Victor's side, not satan's losing side. "Again Lord,
hear our prayer: Please come quickly dear Victor … dear LORD Jesus!"

For insights on this matter of living in and through these present *end of days*, let's keep reading God's precious Word, the Bible. Our eternity depends on it. Satan's efforts at building his global empire continue. They are, clearly, well underway. May we better discern the darkness.
