

FINAL *Truth Postings* Year-End Comments

Highlighting where we've been (2024 & 2025) & where, Lord willing, we're going (2026)

It's been a blessing to be given the opportunity to pass along to you the things we have shared in 2024.

1st mini-series (June & July) An understanding of the *first things first* topic of “knowing” (epistemology) is huge. By God's grace, we bring a brief but quality | helpful introduction.

2nd mini-series (Aug. & Sept.) The epistemic method of knowing which we use to bring a Truth-based understanding of *end times* is the Word of God – the Bible. [God knows the future](#).

3rd mini-series (October & November) We are well into the very *end of days* before Jesus Christ's initial appearing. God has given protective insight about the early part of this period. It is most crucial one understands we live in this *early period* **today** and that God has graced us with important Counsel. *Early period* passages are highlighted.

In 2025 we've continued our Truth appeals, only slightly different as of the month of August.*
Our 2025 series include the following:

4th mini-series (January - May) We've *pictured* end-time chronological progression by what we're calling [Waves of end-time Bible chronology](#). Seven “waves” comprise the *end times*. We are currently in Wave 2. The 2nd Wave concludes with Seal 5 – the 5th Seal of Revelation 6.

5th mini-series (June) After the two heavenly signs of the 6th Seal of Revelation 6:12-17, we move into the end-time period called the Trumpets of Revelation 8 – 11. The Church in Jesus Christ is still on the earth during this period. It is *rapture gathered* at the final | 7th trumpet (I Cor. 15:51, 52 ; Revelation 11:15ff).

6th mini-series (July) The final days of the end include the Bowls of Wrath, Jesus Christ's Second Advent to the earth, Christ's 1,000-year reign during His millennium rule, the final judgment (of Revelation 20) and finally, the creation of the New Heaven, New Earth & New Jerusalem as God moves everything into the eternal state.

Please note: Some of the material in our 4th – 6th mini series has already been published online through [web site handouts](#).

[* In July we incurred format changes from *Truth Social* – ones tied to their posting parameters. As a result, we changed our social media posts – changes which began in August. (see next page)]

7th mini-series
(August) In this series we suggest the **ADDITION** of one more event to the formal (annual) *Church Calendar*. We suggest the month of August be set aside to focus on ***The 2nd Advent*** of Jesus Christ. This appeal | call is made in the context of our new *Truth Matters Postings (TMP)*: *TMP60 – TMP64*.

Before we concluded our 2025 social media **Truth Postings** (“Truth Postings” include both *Truth Social* posts & *Truth Matters* posts), we offered one additional mini series ...

8th mini-series
(Sept. & Oct.) Some contemporary events which took place during this *Wave 2* era (which we are in) are addressed in this two-month mini-series. These amazing events include the assassination of Charlie Kirk & fruits coming from this evil deed.

Thanksgiving & Christmas [Truth Postings](#) wrap up our 2025 online communication efforts.

As we prepare to move into 2026, our next couple mini-series will include, Lord willing, the following:

9th mini-series
(length: TBD) Our 9th mini-series brings us back to contemporary issues and events taking place **today** – that is, events unfolding in early 2026. These end-time events unfold within the period of time we’re calling “the [2nd Wave](#).”

And finally, yet another **FUTURE** projection ...

10th mini-series
(length: TBD) After we address major contemporary matters unfolding in early 2026 (during the 2nd Wave era) – events which will be highlighted in the 9th mini-series – we plan to transition to a new series (this 10th mini-series), a series bringing needed **ENCOURAGEMENT** to God’s people in Jesus Christ in preparation for a future period of time the Word of God calls “the war against the Saints.” [Note: This “war against the Saints” time period takes place during the final part of the 2nd Wave.]
