## When GOD Censors Dark Human Opinion

Make NO mistake about it: God will surely, one day, utterly silence the evil appeals of satan's captive pawns. It will be a glorious day indeed! To those who *rule* in various capacities: Please read Psalm 2. PRAISE יהוה God! Until then, we – His people in Jesus Christ – need to acknowledge God's Counsel concerning the upcoming wicked opposition the world will bring to God's Saints.

God says – time and time again in His Word – tribulation will fall upon His followers in Jesus Christ. He states that it is the dark, deceived-by-satan world that will bring this persecution. It is NOT, as some false teachers say, God's Tribulation against the world which serves as the predominate instrument bringing this tribulation. So NO, it's not the "Tribulation Period" of those teachers who offer false hope in their unbiblical end time [definitions](#) | [definitions 2](#) & [dogmas](#).

This is what Jesus Christ has said about our day (and note who it is who's doing the persecuting!) :

Mt. 24:9-14 ! (We need to actually prayerfully consider these insights, so please take time to get out your Bible and read these key passages.) Did you catch it? *Listen* to His warning as found in the Gospel of Mark: Mk. 13:9-13 ! And just in case our *vision* is clouded by supernatural deception, let's discern this: Luke 21:12-19 !

God states tribulation **from the world** is here and will continue to increase until His Son's initial appearing. Recommendation: Conduct a [biblical word study on "tribulation."](#) Such an inquiry will prove to be most insightful IF one really wants to know what GOD has said on this topic.

Also note the causes which contribute to [unfruitfulness](#) as outlined in our Lord's *Parable of the Sower* – two are especially highlighted: Luke 8:4-15

Dear Family in Jesus Christ, please understand this: God has called us to ENDURE this time of *war against the Saints*. He has called us to endure to the end, even if the "end" means losing our homes, our loved ones, even our own lives. We call Family in Christ to this God-given mandate to [endure](#).

In conclusion, I bring a FACT which all of God's people acknowledge but don't always keep at the forefront of our minds:

**We know Who wins the war – praise God.** But we also need to understand there are casualties during the spiritual warfare we're in. Ponder this [Bible-affirming article](#) on *winning the game!*

We ask you to further consider our [Lord's example](#). Let's follow in His footsteps!

Let's yield to God's statement – even His Spirit makes this appeal – that there will be those who fall away during the time of the end ... OUR DAYS. Reject those who refuse to acknowledge the FULL COUNSEL of God's Word concerning apostasy. There will indeed be those who are not allowed into the banquet due to ill-preparedness – see Mt. 25:1-13. There are those who will be surprised that they are rejected because they weren't known by our Savior & who practiced lawlessness – see Mt. 7:21-23 & Luke 13:22-27. There are those who worship God in vain due to their traditions – see Mark 7:1-16. Sadly, there will be those who allow persecution & worldliness to affect their eternal state – consider Mt. 13:1-9, 18-23. Our biblical warning in this article is, by God's grace, love motivated.
