

# Our Global Culture Is Most Satanic

## Highlighting The World's Favorable Viewing Of DECEPTION

Here are some titles of recent Fox News articles which substantiate the appeal in this blog's title:

- ~ "CIA Deception Tricks Iran As US Forces Pull Off Daring Rescue Of Downed Airman"
- ~ "Iran's Ceasefire Push May Be 'Deception' Analysts Warn As Shadowy Figure Gains Power"
- ~ "Inside The Daring Rescue of Airman Behind Enemy Lines: How CIA Assisted With 'Deception Campaign'"

We addressed this matter of deception in a prior blog: [www.TruthFoundations.org/CB11C25.pdf](http://www.TruthFoundations.org/CB11C25.pdf)  
Never forget: One of satan's dark character traits is highlighted in John 8:44. Our world is satanic indeed.

On another topical example of rampant DECEPTION today:

- ~ "Former Congressman Matt Gaetz Claims U.S. Has A Top Secret 'Alien Hybrid Breeding Program'"
- ~ "Mystery Clouds Deaths, Disappearances Of Scientists With UFO Research Ties: Timeline"
- ~ "US Government Registers Domain Name 'Aliens.gov,' Sparking Expectation That Trump May Be About To Release Classified Documents On UFOs" (Source: *The Gateway Pundit*)

And what will be VP Vance's report if and/or when he visits Area 51 to better inform his opinion?  
This question formed as a result of this article in *The Gateway Pundit*: "JD Vance Says He Thinks Aliens Are 'Demons' – Declares He Will Use Top Security Clearance To Visit Area 51"

We addressed this matter on aliens in a prior blog: [www.TruthFoundations.org/CB11B25.pdf](http://www.TruthFoundations.org/CB11B25.pdf)

And what about the issue of President Donald Trump being a genuine, new-born Christian ... or not?  
Is this yet another example of cultural acceptance of deceit on the part of some?

The entertainment industry continues to favorably promote the idea (that) *deception is good*. Just watch episodes of *NCIS* for huge | strong endorsement of one of satan's prominent qualities. WOW

Years ago we received little response to an insightful blog – one we feel is well written. This updated blog is properly titled, [Living in Devilish Days](http://www.EndMin.com/DevilishDays.pdf). For hard copy readers: [www.EndMin.com/DevilishDays.pdf](http://www.EndMin.com/DevilishDays.pdf)

Good news:

God transcends His puny creation named (before his rebellious fall) "Lucifer."  
יהוה God will one day cast His greatest enemy into the eternal Lake of Fire.  
He will also cast those in league with satan | the dragon | the devil there too.

Unbelieving Community: DON'T allow your bondage to satan to ruin your eternity.
