

Some Essential ‘Next Events’ Before Jesus Christ’s Initial Appearing

Straight and to the point: Four key end-time events which need to take place before Christ’s glorious initial appearing include the following: (NB: There are other key end-time events not addressed in this blog.)

1. The *Temple Project* must begin
2. The *Global Monetary System* must move forward
3. Escalation of Biblical End-Time ‘tribulation’ – including both the 3½ - year “War Against The Saints” & the Great Tribulation period of Mt. 24:15ff – must occur &
4. The heavenly signs of Mt. 24:29 | Rev. 6:12, 13 must blaze

Once the above 1 – 4 events unfold, the next heavenly event is the [initial appearing](#) of Jesus Christ.

Do “note well” that the rapture of the Church doesn’t take place until years later. This is a fact based on the initial appearing of Christ taking place during the 6th Seal of Revelation 6 – vv. 14-17 & based on the “final trumpet” gathering taking place upon the sounding of the 7th Trump of Revelation 11:15ff. See Mt. 24 for a chronology which also supports this portion of end-time chronology – the “sign of the Son of Man” (vs. 30) takes place before the time when the [gathering together of His Church](#) occurs (vs. 31). The full Counsel of God’s Word teaches a period of time takes place between these two stages of Jesus Christ’s three-part Second Coming (see evidence for this in Mark’s Gospel – chapter 13). For clarification: the two stages being, 1. Christ’s initial appearing & 2. Christ’s gathering together His Church at the Rapture event. It is not until Revelation 19 when the Lord actually returns to the earth. The chronological facts of Daniel, Mt. 24 & 25 and Revelation teach a three-part 2nd Coming of our Lord. Back to our “essential next events” ...

Because Christ’s chronology (of Mt. 24:4-31) explicitly teaches the gathering together of the elect occurs **after** the Great Tribulation period – a period which is ignited by the event of the Abomination of Desolation – we know the *end of days* temple must exist. Therefore, at this juncture in time, the *Temple Project* must take place soon. Included within the assault against Christ’s Church is the time when [the mark of the beast](#) is being mandated. This event is a part of what the *AX – the antichrist* – will use to attack Bible believers. This will unfold during the “War Against The Saints” which lasts 3½ years. The close of this part of the tribulation period occurs when God shortens the duration of the Great Tribulation period – actually ending this persecution period in a supernatural way. Immediately after the tribulation of those days, the heavenly signs begin to blaze. Catch an insightful Bible study guide on this matter [here](#).

WHY do the concerns above matter? Because the Church will still be on earth during the Bible-defined tribulation period. We need to prepare ourselves – on all existential fronts – for this difficult period of time.
