A **blog letter** from Endurance Ministries ...

Dear beloved ones in Christ Jesus our sure, eternal Hope,

I confess I so enjoyed Sight & Sound Films' production, *A Great Awakening*.

If you haven't seen this recent film, please catch it. It offers multiple blessings, ones which are pertinent for life in Christ today. I would offer to send it to you but because so many now *stream* films, I leave it up to you to seek the movie.

I share a few lines found repeated in the film:

“Awake oh sleeper.” Similar statements in the film are also expressed. (6Xs)

By God's grace, we have continued to herald CRUCIAL Truths from God's Word, ones which are so needed as we seek to *endure to the end* as our Savior has so outlined.

“What's your Source?” Similar statements in the film are also expressed. (3Xs)

By God's grace, we continue to present most significant FOUNDATIONS in a world that offers no solid foundations. Please review this information by going online to either www.EnduranceMinistries.online/truth-matters OR <http://www.finaltrumpet.online/wp-content/uploads/2023/05/Epistemic-Essentials.pdf>.

Let us know what you think of the film, would you ... could you? It's a 'great' one, even expressed in the movie's title – A '*GREAT*' Awakening. ☺

Wishing you His continued JOY in our great victory in Christ Jesus our Lord,

Brother Jon
